HEART ON THE LINE

WRITTEN BY RICK NIELSEN, ROBIN ZANDER, TOM PETERSSON, GREG GIUFFRIA, JULIAN RAYMOND, DAXX NIELSEN

Mama never told me there'd be days like this / It all started out with a little kiss / One thing led to another / Then I took a shot / My heart was on the line / I was working overtime then along came a beat / Knocked me off my feet / Repeat Chorus // My heart was on the line / Try to remember / It was the very first time / Try to remember / My heart was on the line / Try to remember / Standing in the middle of a traffic jam / My heart's playing bumper pool girls / One thing led to another / Then I took a shot / My heart was on the line / I was working over time with my balls in my pocket / Will I ever be the same / Repeat Chorus // Mama never told me they make days like this / It all started out with a little kiss / I didn't know they make girls like you / Guess I got a lot to learn yeah, yeah, yeah // Don't just hide / Hide in a corner / Even if you don't have a clue / Take you' best shot / And bring it to the top / It won't take long / Give it all you got yeah / One thing led to another / Then I took a shot / My heart was on the line / I was working overtime then along came a beat / Knocked me off my feet // Repeat Chorus // Mama never told me they made days like this / It all started out with a little kiss / I didn't know they make girls like you / Guess I got a lot to learn yeah, yeah, yeah // ©2016 Self Taut Music, LLC administered by Kobalt Group Publishing (SESAC) / Robin W. WHEN I WAKE UP TOMORROW

WRITTEN BY JULIAN RAYMOND, ROBIN ZANDER, RICK NIELSEN, TOM PETERSSON

I never thought that it would happen / I never thought that it would happen / Why didn't understand? / All you wanted was would be like this before / I never wanted just one kiss for sure / Well maybe I didn't understand / All you wanted was a one-night stand well / Never thought that I would be like this for more // These days I wonder how I'm gonna make it tomorrow / These ways I'll have to beg if I want to borrow, my love / Here I'm on my knees / Please be here when I wake up tomorrow // I never felt like this before / My love is flowing out for sure / Your lips upon my skin / Come out and let me in now / Never thought I'd beg like this for more // These days I wonder how I'm gonna make it tomorrow and let me in now / Never thought I'd beg like this for more // These days I wonder what will come of tomorrow / These ways / In these ways I'm praying there's no need for tomorrow / Here I'm on my knees / Please be here when I wake up tomorrow // I'll have to beg if I want to borrow your love / Here I'm on my knees / Please be here when I wake up tomorrow // ©2016 Eleven AM Music administered by WB Music Corp (ASCAP) / Robin W. SING MY BLUES AWAY

WRITTEN BY JULIAN RAYMOND, ROBIN ZANDER, RICK NIELSEN, TOM PETERSSON

Hey now what you gonna do / When the stars come shining for you / Stay now / I know I had something to say // Can't you feel it now, listen now / Before the melody stops away / But there's a song that lies in the dark like you and me / It only needs the light of day // Sing my blues away / Sing my blues / It hurts to walk in the park / It's only when you're gone / I've got to turn my radio on / So come on and sing me a song now / You sing my blues away // Somehow I pulled you into my world / Your love is taking over me / Lost in the time mystery / I hear her singing there / That needs that spot to see // Here she comes now like a summer wave / From an old time mystery / I hear her singing a song / She's where I want to be / Oh yeah // A sweet sound / It fills my world like a note floating in a dream / With this old heart I must say / There are no words to describe what you do to me / You sing my blues away / Sing my blues / I get so sad and lonely / It's a long way home in the dark / It's only when you're gone / I've got to turn my radio on / So come on and sing me a song now / Sing my blues away / Yeah sing my blues away / Sing my blues away // ©2016 Eleven AM Music administered by WB Music Corp (ASCAP) / Robin W. THE IN CROWD

WRITTEN BY BILLY PAGE

I'm in with the in crowd / I go where the in crowd goes / I'm in with the in crowd / And I know what the in crowd knows / Out to have fun / Anyone of the year, don't you know / Out to have fun / Any time of the year, don't you know / Out to have fun / Any time of the year you can hear / Out to have fun / If it's square we ain't there / We make every minute count / Our share is the biggest amount / Other guys imitate us / But the original is still the greatest / In crowd / In the crowd / We've got our own way of walkin' / We've got our own way of talkin' / Out to have fun / Any time of the year don't you hear / Out to have fun / Spendin' cash, talkin' trash / Girl I'll show you a real good time / Come on and leave your troubles behind / I don't care where you've been / You ain't been nowhere 'til you've been in / ©1964 Unichappell Music Inc. / Elvis Presley Music, Inc. THE FOREVER SETS

WRITTEN BY JULIAN RAYMOND, ROBIN ZANDER, RICK NIELSEN, TOM PETERSSON

When the light suddenly shines on you / All the signs of the times point to you / Everywhere I look I see your face / It comes to view / One's not enough / Two's a little rough / Now they're hard to find / Cause you think that you can hide / Stay / Wondering in line / Sun never sets on a love that shines / Better pick a window / Sun never sets on a love that shines / Sun shining // I'll never find a better day than today / I was blinded by those hellish rays / Then Heaven smiled when you came my way / One's just enough / Two's a little rough / She's not bad if you think you can handle it / If you better get in line / Sun never sets on a love that shines / Better pick a window / Sun never sets on a love that shines / The sun's shining // Sun never sets on a love that shines / Better pick a window / Sun never sets on a love that shines / Sun / Sun never sets on a love that shines / Better pick a window / Sun never sets on a love that shines // ©2016 Eleven AM Music administered by WB Music Corp (ASCAP) / Robin W.
