

## TELL ME <sup>Δ</sup>

-T. Scholz-

I stand on my own  
And wonder if you've ever been alone  
with all the world around you  
Say the word; I'd be there  
And like a fool I'd go anywhere  
just like the day I found you

Tell me what you see  
Tell me you believe in my love

Tell me what you need  
Tell me you believe in my love

I don't understand what to say  
You take my breath and then you  
walk away  
Your life goes on without me

And you can look right at me  
But in your eyes it's a mystery  
What do you feel about me?

Tell me if it's real  
Tell me what you feel in my love

Tell me what you see  
Tell me you believe in my love

Tell me what to give  
Tell me I can live for your love

Tell me not to leave  
Tell me to believe in your love

I don't really know what to say  
I don't know how but I could learn to pray  
if prayin' makes you hear me

I could stay on my own  
And wonder if I'd have ever known  
But I just want you near me

Tell me if it's real  
Tell me what you feel in my love

Tell me what you need  
Tell me you believe in my love

Tell me what to give  
Tell me how to live for your love

Tell me what you see  
Tell me to believe in your love

## HIGHER POWER ##

-T. Scholz - D. Sikes-

Let me love you  
Take me home to your religion  
for the night  
Let me touch you  
Teach me how to see  
your vision through my eyes.

Turn the pages  
Tell my story, let me face another day  
Safe embraces, I feel it comin' now  
My captain's on his way.

Chorus:

Hey, my Higher Power  
The world is spinnin', but I'm not afraid  
Yea, give me the power  
It's the beginnin', the beginnin' of another day.

Yea

Let me hold you  
Take me back into the secrets of  
my mind  
Let me know you

Come and save me Lord  
Don't let me cross the line.

Repeat Chorus

Ooh, let me love you  
Ooh, let me love you

Hey, my Higher Power  
The world is spinnin', but I'm not afraid

Yea, my Higher Power  
It's the beginnin' of another day.

Hey, my Higher Power  
The world is spinnin', but I'm not afraid

Yea, my Higher Power  
It's the beginnin' of another day.

Repeat Chorus 2x  
Yea, yea, yea.

## MORE THAN A FEELING \*

-T. Scholz-

I looked out this morning,  
and the sun was gone  
Turned on some music to start my day  
Then lost myself in a familiar song  
I closed my eyes, and I slipped away

Chorus:  
It's more than a feeling  
When I hear that old song they used to play  
And I begin dreamin'  
Till I see Marianne walk away  
I see my Marianne walkin' away

So many people have come and gone  
Their faces fade as the years go by  
Yet I still recall as I wander on  
As clear as the sun in the summer sky

Repeat Chorus

When I'm tired and thinkin' cold  
I hide in my music, forget the day  
And dream of a girl I used to know  
I closed my eyes and she slipped away  
She slipped away

Repeat Chorus

## DON'T LOOK BACK \*\*

-T. Scholz-

Don't look back,  
A new day is breakin'  
It's been too long since I felt this way.  
I don't mind where I get taken,  
The road is callin'  
Today is the day.

I can see it too so long just to realize,  
I'm much too strong not to compromise,  
Now I see what I am is holding me down,  
I'll turn it around,  
Yeah, yes I will.

I finally see the dawn arrivin'  
I see beyond the road I'm drivin'

It's a bright horizon and I'm awakin' now,  
Oh, I see myself in a brand new way.  
The sun is shinin', the clouds are breakin'  
'Cause I can't lose now, there's no game to play.

I can tell there's no more time left to criticize,  
I've seen what I could not recognize.  
Everything in my life was leading me on,  
But I can be strong, oh yes I can.

I finally see see the dawn arrivin'  
I see beyond the road I'm drivin'

### AMANDA \*\*\*

-T. Scholz-

Babe, tomorrow's so far away  
There's somethin' I just have to say.  
I don't think I could hide  
What I'm feelin' inside  
Another day.  
Knowin' I love you.

And I - I'm gettin' too close again.  
I don't wanna see it end.  
If I tell you tonight  
Will you turn out the light.  
And walk away  
Knowin' I love you?

Chorus:

I'm gonna take you by surprise  
And make you realize.

Amanda

I'm gonna tell you right away  
I can't wait another day.

Amanda

I'm gonna say it like a man  
And make you understand.

Amanda

I love you.

And, I feel like today's the day.

I'm lookin' for the words to say.  
Do you wanna be free,  
Are you ready for me  
To feel this way?  
I don't wanna lose ya.

So it may be too soon  
I know.

The feelin' takes so long to grow.  
If I tell you today

Will you turn me away  
And let me go?  
I don't wanna lose you.

Repeat Chorus

You and I - I know that we can't wait.  
And I swear - I swear it's not a lie girl,  
Tomorrow may be too late.  
You - you and I girl - we can share  
a life together.  
It's now or never  
And tomorrow may be too late.

And, feelin' the way I do  
I don't wanna wait my whole life through  
To say I'm in love with you.

### ROCK & ROLL BAND \*

-T. Scholz-

Well, we were just another band out of Boston  
On the road and tryin' to make ends meet  
Playin' all the bars, sleepin' in our cars  
And we practiced right on out in the street  
No, we didn't have much money  
We barely made enough to survive

But when we got up on stage, and got ready to play  
people came alive

Chorus:

Rock and roll band everybody's waitin'  
Gettin' crazy, anticipatin'  
Love, and music, play, play, play, yea, yea, yea, yea

Dancin' in the streets of Hyannis  
We were getting pretty good at the game  
People stood in line and didn't seem to mind  
You know everybody knew our name  
Livin' on rock and roll music  
Never worried 'bout the things  
we were missin'  
When we got up on stage  
and got ready to play  
everybody'd listen

Repeat Chorus

Playin' for a week in Rhode Island  
A man came to the stage one night  
He smoked a big cigar,  
drove a Cadillac car and said,  
"Boys, I think this band's outtasight;  
sign a record company contract! You  
know I've got great expectations!  
When I hear you on the car radio  
you're gonna be a sensation!"

Repeat Chorus

### SMOKIN' \*

-T. Scholz-B. Delp-

We're gonna play you a song, a little bit of rock and roll  
You've gotta let yourself go, the band's gonna take control  
We're gettin' high today

We'll pick you up and take you away, get down tonight

Chorus:

Smokin' Smokin'  
We're cookin' tonight just keep on tokin'  
Smokin' smokin'  
I feel alright mamma I'm not jokin'

Get your feet to the floor everybody rock and roll  
You've got nothin' to lose it's just rhythm  
and blues that's all

You're gonna feel okay  
We'll pick you up and take you away,  
get down tonight

Repeat Chorus

Everyone's jumpin', dancin' to  
a boogie tonight  
Clap your hands, move your feet,  
if you don't you know it won't  
seem right  
We're gettin' high today  
We'll pick you up and take you away,  
get down tonight  
Yea you know we're gettin' high today  
We'll pick you up and take you away,  
get down tonight: Alright!

### PARTY \*\*

-T. Scholz-B. Delp-

Well you know I don't get off on workin' day after day  
I wanna have some fun while I'm here  
I'll play the game when it's goin' my way  
And there's nothin' like a party when it's kickin' in gear  
I'm gettin' ready for a party tonight  
Yes I'm gettin' ready to cruise

And if you got somethin' for me I got somethin' for you

Chorus:

Baby, it's a party and nobody cares  
What we're doin' there  
Baby it's a party as long as you're there  
It's a party party party

I can't believe it when some people say  
That it's a sin the way we live to die  
You know there's never been  
a more natural thing  
Yea there's a brand new story  
but it's the same old lie  
So come on get ready  
for the time of your life  
'Cause I'm gettin'  
right in the groove  
And if you got somethin' for me  
I got somethin' for you

Repeat Chorus

Get down & party if you need a cue  
You're sure to find one in the crowd  
Just meet some friends & have  
a toke or two  
In a place where they can never play  
the music too loud  
Get ready for a party tonight  
'Cause I'm gettin' right in the groove.

And if you got somethin' for me I got somethin' for you

Repeat Chorus

You know a man doesn't live on bread alone  
He's got to have some lovin' each and every night  
And a woman's got to have it if the truth be known.  
Let's get together honey, it's all right

## FEELIN' SATISFIED \*\*

-T. Scholz-

Well come on, all you people, the time has come  
to get together  
You gotta have a little rock 'n' roll music  
To get you through the stormy weather  
And do whatever you feel  
When you let go, nothin's gonna help you  
more than rock 'n' roll

Chorus:

So come on, put your hands together  
You know it's now or never, take a chance  
on rock 'n' roll

Release:

Ooo are you feelin' satisfied – come on  
let us give your mind a ride  
Ooo are you ready tonight – come on  
let us give your mind a ride  
It's up to you, you can do what you like  
Come on let us give your mind a ride

Oh that funky feelin' is what you need  
to get you through  
You oughta know I'll tell you somethin'  
Don't let your troubles get to you  
'Cause win or lose it's alright

Well take control and nothin's gonna help you  
more than rock 'n' roll

So c'mon

Repeat Chorus

## COOL THE ENGINES \*\*\*

-T. Scholz-F. Sheehan-B. Delp-

Now I like takin' off.

Don't like burnin' out.  
Every time you turn it on  
Makes me want to shout.  
We keep gettin' hotter.  
Movin' way too fast.  
If we don't slow this fire down  
We're not gonna last.

Cool the engines  
Red line's gettin' near.  
Cool the engines  
Better take it out of gear.

I'm no fool – gonna keep it cool  
And take it day by day.  
We won't know where we might go  
Until we make it all the way.

Take me for a ride.  
Take me all the way.  
Take me where I've never been  
Someplace I can stay.  
Don't get yourself too hot  
Don't get yourself too high.  
If we don't take it easy now  
We can kiss it all goodbye.

Cool the engines  
Slow this rocket down.  
Cool the engines

Why don't ya take a look around.

I'm no fool – gonna keep it cool  
Take it day by day.  
We won't know where we might go  
'Til we make it all the way.

Cool the engines  
Cool the engines  
Goin' over the line  
Goin' off the dial  
Runnin' out of time

And it's gettin' wild

Got flashin' lights  
Goin' 'round and 'round  
Until we get it right  
Better cool it down  
Better cool it down

Cool the engines

And now we're on our way.

No need to hurry

Just to get from day to day.

And I ooh, ooh I know

We don't have to run that hard  
To get where we can go.

Cool the engines  
Cool the engines down  
Cool the engines  
Cool the engines down

## LIVIN' FOR YOU #

-T. Scholz-

Livin' without you never could be so wrong  
Don't need to say it, I never waited so long

Thinking about you in everything I do  
Love is for giving  
You know I'm just livin' for you

And I, I never needed to lie  
Can't you see I believe in my heart when I'm saying  
It's love that you see  
You're just the one for me  
I'm praying

Maybe I'm dreaming, don't want to wake up now  
Baby, I love you, I always knew it somehow

Happened so easy, don't need to think it through  
It's not so amazing  
Been going so crazy for you

Dreaming and hoping, hoping that dreams come true  
You're my religion, girl, I've been living for you  
Don't want to fight it, tried everything I know  
I won't deny it  
You're everywhere I try to go

And I, I never needed to lie  
Can't you see I believe in my heart  
when I'm saying  
It's love that you see  
You mean the world to me  
I'm praying for you

Knew it so easy, don't have to think  
it through  
Love is for giving  
I know I'm just livin' for you

Love is for giving  
I know I'm just livin' for you

### PEACE OF MIND \*

-T. Scholz-

Now if your feelin' kinda low 'bout the dues  
you've been payin'  
Future's comin' much too slow  
And you wanna run but somehow you just keep on stayin'  
Can't decide on which way to go

Chorus:  
I understand about indecision  
But I don't care if I get behind  
People living in competition

All I want is to have my peace of mind  
Now you're climbing to the top of the company ladder  
Hope it doesn't take too long  
Can't you see there'll come a day when it won't matter  
Come a day when you'll be gone

Repeat Chorus

Take a look ahead  
Take a look ahead  
Yea, yea, yea, yea

Well everybody's got advice they just  
keep on givin'  
Doesn't mean too much to me  
Lots of people have to make believe  
they're livin'  
Can't decide who they should be

Repeat Chorus

Take a look ahead  
Take a look ahead  
Yea, yea, yea, yea

Look ahead!

### FOREPLAY/LONG TIME \*

-T. Scholz-

It's been such a long time  
I think I should be goin'  
And time doesn't wait for me it keeps  
on rollin'  
Sail on - on a distant highway  
I've got to keep on chasin' a dream  
I've gotta be on my way  
Wish there was something I could say

Chorus:  
Well, I'm takin' my time  
I'm just movin' on  
You'll forget about me  
After I've been gone  
And I take what I find,  
I don't want no more  
It's just outside of your front door  
Yea, yea, yea, yea  
It's been such a long time  
It's been such a long time

Well I get so lonely when I am  
without you  
But in my mind, deep in my mind, I can't  
forget about you  
Good times and faces that  
remind me  
I'm tryin' to forget your name  
and leave it  
All behind me  
You're comin' back to find me.

Repeat Chorus

It's been such a long time  
I think I should be goin'  
And time doesn't wait for me it keeps  
on rollin'  
There's a long road I've gotta  
stay in time with  
I've got to keep on chasin' that dream  
Though I may never find it  
I'm always just behind it

Well I'm takin my time  
I'm just movin' on.

### A MAN I'LL NEVER BE \*\*

-T. Scholz-

If I said what's on my mind  
You'd turn and walk away  
Disappearing way back in your dreams  
It's so hard to be unkind  
So easy just to say  
That everything is just the way it seems

Chorus:

You look up at me and somewhere  
in your mind you see  
A man I'll never be

If only I could find a way  
I'd feel like I'm the man you believe I am  
It's gettin' harder every day for me  
To hide behind this dream you see  
A man I'll never be.

I can't get any stronger  
And I can't climb any higher  
You'll never know just how hard I've tried  
Cry a little longer and hold a little tighter  
Emotions can't be satisfied

Repeat Chorus
