The dream police they live
inside of my head
The dream police they come

And when I fall asleep
I don't think I'll survive the
night the night

“Cause they're waiting for

Every step is right
(Repeat)
Dream' me dreams—dream

(Repeat)

Well I don't tell her
'Cause they're listening to me
And when I fall asleep last
they're spying on me tonight, tonight

(Repeat)

I try to sleep, they're wide awake
They won't let me alone
They don't get paid in take numbers
So let me alone
They spy on me, I try to talk
They won't let me alone
They wonder me, they're
the judge and jury all in one

(Repeat)

(Repeat)

DON'T BE CRUEL

Will you leave I can be found
Sitting all alone
If you can't come around
At least please telephone
Don't be cruel to a heart that's true

And if I made you mad
With something I might have said
Please forget me just
The future looks bright ahead

“Don't be cruel to a heart that's true
I don't want no other love
Baby it's just you I'm thinking of

“Don't stop thinking of me
Don't make me feel this way
Come on over and love me
You know I want you to stay
Don't be cruel to a heart that's true

Let's walk down to the preacher
And let's see I do
And then I'll know you want me
And you'll know I want you to

(Repeat)

Don't be cruel to a heart that's true

(Repeat)

Hey hey hey

(Repeat)

What it feels like to be you
We all know
It always is good for you

ONE'S RIGHT

When I'm down and under a veil
Got the number written on the wall
That it's love, that I'm afraid
What's the matter 'coz it's the end
I did the number and it starts to ring
I got married and I start to dream
I want to remember a memory, love
Then the answers and the eyes right away
The eyes I'm so in love, I'm all alone
So I get off the phone

She's right, she's ahead of her time
She's right, she's one of a kind
She's right, she's a natural light
She's right, she's got her head down tight

I have something gotta say to you
Anxious in my state of thought
On the tip, the tip of my tongue
I had a vision when I was young
Now I'm old as
Through the window, down the hall
I had a vision and went upstairs
Turned the door and I opened the gate
She's right, I'm so in love
So I could sleep
So I get off the phone

[1 Repeat]

She's right, she's right 'coz she got
She's right, she's right 'coz she's high up
She's right, we'll love off the light
She's right, and down the stairs

She's nice, she's right

[1 Repeat]

I WANT YOU TO WANT ME

I want you to want me
I want you to want me
I'd love you to love me
The bigger you're big on
I want you to want me
I want you to want me
I'd love you to love me

It's like you got all kinds of love
It's just an island over there
It's come from early from work
It's you say that you love me

She's L, she's L, she's L see you right!
Oh, she's L, she's L, she's L see you right!
Daddy all alone without a friend
You know you feel like she
Oh, she's L, she's L, she's L see you right!

I want you to want me
I want you to want me
I'd love you to love me
The bigger you're big on

[1 Repeat]

[1 Repeat]

[1 Repeat]

Oh, she's L, she's L
Oh, she's L, she's L
Oh, she's L, she's L
Oh, she's L, she's L

IF YOU WANT MY LOVE

It's like want my love you've got it
When you need my love you've got it
I want to tell it

[1 Repeat]

Yes, I thought you were a mystery girl
A special girl in this way old man
The world from your eye
When I had my eyes on you

Lonely is only a name
The don't know what it's like
The don't fight it
It's a heart in my heart, in my heart

[1 Repeat]

You have the secrets of love in this world

AIN'T THAT A DREAM

The million times when you say goodbye
Ain't that a dream
My tears fall like rain
Ain't that a dream
You're the one to blame

The billion times when we're apart
Ain't that a dream
My tears fall like rain
Ain't that a dream
You're the one to blame, all you you are

So long, goodbye, although I say
Ain't that a dream
My tears fall like rain
Ain't that a dream
You're the one to blame

The million times when you say goodbye
Ain't that a dream
My tears fall like rain
Ain't that a dream
You're the one to blame

SUMMERS

Another fall like you, she told me
I'd never give like you
She also told me she was
That's some love when you're sad!

Just the other day I heard
Of a woman's falling off!
Some information just
That's young 'n' cool!

(Chorus)
Money's all right, Daddy's all right
They just seem a little weird
Sensible, sensible
But don't give yourself away

Father says your mother's right
She's really up on things
Believe me, married Money never
Is the BAC in the Philippines

Now I feel sorry for M&C, married!
So much for the war
But Money isn't one of those
The downer for all those years

(Chorus)

Whomsoever happened to all this country's
Lovers of the year
Every time I get to thinking
What'd they happen

Then I wake up, then we'll Dad
An' rolling on the couch
Rolling numbers, red and rolling
Get my like records out

(Chorus)

Reps

(Repeat and fade)

THE FLAME

Another night slowly down in
And that is beauty
You're in my hands' or my side
I pretend you still own me
I'm going away I'm back' sleep
Do it for me I'm in my way sleep over you
I can't believe you're gone

"You mean the first you'll be the last
Whenever you go I'll be with you
Whenever you want I'll give it to you
Whenever you need someone
To lay your head and head upon
Remember after the first after all the rest
I will be the first I will be the last

Wishes' wishes' wishes' come the wall
That's up/nighttime'
I want' you to see I want' call
But I've been let by lightning'
Just can't stand up for better eyes
Can't see through this wall
I want my heart with you
That's always for the one

(Repeat)

I'm going away I'm back' sleep
Do it for me I'm in my way sleep over you
That's always for the one

(Repeat)

Whenever you want I'll give it to you
Whenever you go I'll be with you
And whenever you want I'll give it to you
Oh, whenever you need I'll give it to you

I CAN'T TAKE IT

Well I love you today and tonight
How I missed my piece of mind
That your hands in my ear
Late at night it's you
I always think about
That little girl looks of you
I miss her
I should have known better
But the world of you
Was in my heart
And you were too busy
To notice the fact right

"Now I can't take it alone
I can't make it alone
I can't take it, I can't make it alone
Oh my, oh, oh my

Then I will expect I'll get you down
Don't expect me your face around
Don't call every anymore
When I hear your voice it's in my ear
You're down' on the phone
It makes it all come clear

(Repeat)

I try to tell myself
Don't need you anymore
Don't need you tonight'
Annoyed by love, oh my

Now I can't take it alone
I can't make it alone
I can't take it alone
I can't make it alone
I can't believe, I can't make it alone
If it's wrong or right
I can't believe, I can't make it alone
You know how I feel
I can't take it, I can't make it alone
I'll expect don't need you anymore
I can't take it, I can't make it alone
Oh baby, my pretty baby
I can't take it, I can't make it alone

CAN'T STOP FALLIN' INTO LOVE

My little baby
There's some real young stuff
Just daddy's in love
Daddy for you
There's a girl in the corner
With a cupid up there
She's got legs for miles long
But her face looks a mess

(Chorus)
There's always something for everyone
But a love one for which
Oh yeah

It's just what you've been waiting for
And I know I can't be denied

Can't stop fallin' into love
What's my heart been thinking' up
What's that baby' one there
But you're the daddy' of

My work is calling
What's a daddy' with you
You're got the fish
And I've got the
It's hard to be a winner every time
But I know you take it, you get under it all right
It's time that you just can't think
But I can't control myself
Oh my, oh my

I know what you've been waiting' for
'Cause love can't be denied' that's so

(Chorus)
Can't stop fallin' into love
What's my heart been thinking' up
What's that baby' one there
That it's you're thinking of

There's always something' for everyone
And I know what you mean in my eyes
I just can't control myself
And I tell for it every time Oh yeah

[Chorus]

Can't stop falling into love
What's my heart been thinking 'up
No matter what I think or do or say
I keep falling into love

[Chorus]

I can't stop falling into love
What's my heart been thinking 'up
What's that feeling like love
Is it you girl I'm thinking of

Can't stop falling into love so
What's my heart been thinking 'up
No matter what I think or do or say
I keep falling into love

VOICE

You didn't know what you were looking for
'Til you found the vision in your eye
Sag, it's no again, what to see again
Please tell me you every day
I'm a fool again, I'll be here with you again
Please tell me you every day

[Repeat x 2 times]

Maybe don't come out right
I know I'll be at night
I hope you understand my meaning
Sag, it's no again, I'm in
I'll be with you again
Please tell me you every day

[Repeat x 2 times]

I remember every word you
said (don't you mind)
I remember vision in my head
In my head
I remember every word you
said (don't you mind)

[Repeat x 2] I heard your vision - it was
