Medical Superintendent.
New.

Dear Sir.
Yours of the 22nd inst. to hand this morning. Note contents of same about my niece, Alice Siddall. Thank you very much for letting me know at once. Should she pass away very suddenly, please let me know by telegram to the above address, so that I can come down at once, if I am at home.

I wish her to be buried in the same grave as her father, Charles Siddall in the Melbourne Cemetery. Particulars of Grave No: 385 Compartment 2. Denomination C of C. I mention the above for fear you have not got the particulars in your books. No head stone over it.

My own grave is a few feet from it, with a head stone on it, my brother John William Siddall is at rest.

Yours faithfully,
Henry Siddall.

General mental condition on reception and report of relatives - Patient is violent, incoherent. Talks nonsense has delusions of thoughts that there are infernal machines about that she is a fernan - that she has the Government of U.S. on her shoulders etc. She has been in an Asylum before (Mrs Campbell states above).

Referred.

Any special physical condition or lesions, including hernia, pregnancy, &c. -
