

how to run (live - acoustic)

After they've passed through the streets of a
crowded American town
at night and through mountains of glory in
the dark mountains

Running from across the highway if
you're not sure
You'll never get your love
They're not sure to be far from your feet
It's a dark day, it's a dark day
The night is out while we're alone
You're not sure to be far from your feet
It's a dark day

Wanted to run, I wanted to run
I want to run from darkness and pain
and now you're here, now I'm here
and now you're here, now I'm here
I wanted to run from darkness and pain
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

and now you're here, now I'm here
and now you're here, now I'm here
and now you're here, now I'm here

SPECIAL 4 TRACK CD

louder than the rest (live)

Well, it's December night
There's all kinds of noise
From the radio, the television
From the neighbors, the neighbors
From the street, the street
From the city, the city
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here

Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree
Some say they want a Christmas tree

It's cold & blue
And it's just the day
But when you're alone
It's just the day
It's just the day
It's just the day
It's just the day
It's just the day

Maybe you're alone
Maybe you're alone
Maybe you're alone
Maybe you're alone
Maybe you're alone
Maybe you're alone
Maybe you're alone
Maybe you're alone

And I'm just sitting here
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here
And I'm just sitting here

be true (live)

They say you're dead with pictures of all year

Don't make a noise like girls down that
Don't make a noise like girls down that
Don't make a noise like girls down that

It's one of the things that makes you dream
It's one of the things that makes you dream
It's one of the things that makes you dream
It's one of the things that makes you dream

And when you're alone
And when you're alone
And when you're alone
And when you're alone

And when you're alone
And when you're alone
And when you're alone
And when you're alone

And when you're alone
And when you're alone
And when you're alone
And when you're alone

shines of freedom (live)
