KEITH RICHARDS
The elusive "I want to be alone" Swede has been hiding from the world for years. A frustrating romance with John Gilbert and the tragic death of Mauritz Stillier, Richards' only real love has turned her into a recluse.

MICK JAGGER
Probably the most successful woman in radio, Mick has been very close to marriage. She has the man, admitted she was very fond of him, but sadly sent him away - she couldn't bear to sacrifice her career.

RON WOOD
The darling of the dazzling twenties had hordes of men at her feet, panting for her favors. Hollywood insiders insist that her great beauty and popularity made it impossible for any man to make an impression on her. None did.
